## *Dedication*

To every graduate, former student,  
and teacher of Alton High School  
who is in the service of his and our  
Country, The 1943 Tatler is dedicated.

## *In Memoriam*

Miss Jennie Cates, teaching her twenty-fifth year in Alton High School, was called to the great beyond on March 14, 1943 after an illness lasting nearly three months.

Jennie Cates was a friend to her pupils and fellow faculty members. Her life was an example of devotion to duty and service to her friends. Miss Cates served as sponsor of The National Honor Society and The Student Forum with the deepest sincerity of purpose any one could expect. A beautiful example of a Christian life has been brought to an early close, but the many good deeds of Miss Jennie Cates shall live in the hearts of her legion of friends as long as they shall live.

# ADMINISTRATION

PARMER L. EWING  
*Superintendent*

Mr. Ewing came to Alton as Superintendent of Schools last August after 11 years as Superintendent of Schools at Highland. Mr. Ewing has had a very busy year of school work in addition to conquering a round of ill health. Many faculty changes have been made this year due to death of teachers in the system and changes brought about by the exigencies of a nation at war. Mr. Ewing was able to visit high school often enough that all of us were able to get acquainted with him. In his first year with us Mr. Ewing has shown a deep interest in the welfare of those

in school. We are glad to know that the Board of Education has renewed Mr. Ewing's contract for next school year.

BOARD OF EDUCATION

Walter Wood, L. J. Misegades, J. J. Beeby, R. H. Richards, *President*, M. W. Acker, Dr. H. E. Middleton, P. L. Ewing, *Superintendent*, Hugh Horstman, *Secretary*.

## C. C. HANNA

### *Principal*

This school year Mr. Hanna has found many problems to occupy his time. The problems of war have been many—changes in office help, faculty, and student body have been frequent. Each change has required Mr. Hanna to give some time to its solution, and this he has done. No one has heard Mr. Hanna complain, in fact the cooperation of faculty and student body shows appreciation for his work.

History*

All three of the faculty administrative force pictured here are serving their first year in their respective positions. They have been busy yet helpful to all those with whom they have come in contact. Their work has been made more difficult by the fact that they succeeded two experienced and successful workers—Dinsmore Wood and Miss Carolyn Wempen. Congratulations upon a good start in your new work.

# Football Season of 1942

RAY L. JACKSON, *Coach* ☆ HAROLD SHAPIRO, *Assistant Coach*

Football practice pushed up steam in a hurry this fall. Coach Jackson found a new assistant in the person of Harold Shapiro—a graduate of Illinois—who replaced R. P. Geddes. Geddes left Alton High for Western Military on September 1.

Despite the fact that Metz, Lumpkin and Harrison made up the total of lettermen returning to the squad, Coach Jackson found Hertenstein, Veit, Roberts, Moore, McCarroll and Aulabaugh—six boys with considerable experience. By the time of our first game at Benld on September 25, eight of these boys were in the starting line-up and Roberts was out of play for the season with a broken arm. The three who had come to the front to win starting positions with the seven above were Chamness, Gould and Beall. The first half looked as if the Redbirds might lose since they trailed 6-0. Late in the third quarter Tom Beall scooped in a pass from Jim Moore and twisted his way 28 yards for a touchdown. In the fourth quarter McCarroll ran a Benld punt from our 25 to their 20 and a few plays later McCarroll scored. Alton 12, Benld 6.

October 2, opened conference play at home with the East St. Louis Flyers, who wound up the season again conference winners. The Redbirds held their opponents the first half but gave up a touchdown in the third quarter when East Side connected on a good pass. The final East Side marker in the fourth quarter came after they intercepted an Alton pass. The Redbirds kept East Side worried most of the game and once in the first half lost the ball on East Side's 3 yard line. Alton 0, East St. Louis 13.

October 9 found the Redbirds at Belleville—the team who was looked upon at this time as having first chance at Conference honors. The Maroons crashed through in the first half for 26 points. The half ended just in time to cost the Redbirds a touchdown as they had driven from Belleville's 47 yard line to their 2 foot line in two plays. This drive gave the Redbirds confidence and in the second half McCarroll and Beall each completed a touchdown drive but Belleville also scored twice to leave the final count Alton 12, Belleville 39.

October 16 found Collinsville's Kahoks in Alton and intent on giving the Redbirds another conference loss. The local squad felt otherwise about it and went to work early in the game after Collinsville drove to the Redbird 25. Scoring started in the second quarter after Lumpkin and Aulabaugh recovered an Alton punt when the Kahoks fumbled on their 15. A pass from Moore to Beall, in the end zone, was good. Collinsville threatened several times with a passing attack and it looked to be headed for a touchdown late in the second quarter. Harvey Veit spoiled the Kahok fun when he grabbed a Collinsville pass and ran 92 yards to score. In the third quarter Tom Beall got a spot of grand assistance from the line and reeled off a 72 yard touchdown run. Alton 19, Collinsville 0.

October 22 found the Redbirds at Granite City. The game started with a Redbird rush and before Granite's Warriors suspected what was up a long pass from McCarroll to Harrison was good for a touchdown and extra point was place-kicked by McCarroll. At this point the sad Warriors took over and they had made themselves Happy Warriors by the end of the half when they led 19-7 although Alton was in possession of the ball on Granite's 6 yard line as the half ended. Play was about even in the second half but Granite got away with one end run touchdown play to give a final score of Alton 7, Granite City 25.

October 30 found Madison's Trojans on the local field and although Coach Jackson used 36 players the Redbirds scored six touchdowns and extra point on five of them. Touchdowns scored by Beall, Moore, Aulabaugh, Robinson, Goss, and Jansen. The final score read Alton 41, Madison 7.

November 6 found Edwardsville's Tigers in Alton and fully determined to win. However, good defensive play by the Redbirds including grand punting by Harrison stopped the Tigers until late in the fourth quarter. In the meantime Beall and Jansen had scored for Alton. The final read Alton 12, Edwardsville 6.

November 13 found the Redbirds in the Oilers' den. Season records forecast an even chance for Wood River. Before the first quarter

ended Smith had connected with Aulabaugh for a touchdown pass. The backfield had used ground football from the Alton 4 to the the Wood River 42 when all of a sudden the touchdown pass whizzed by the Oilers. No further scoring occurred until early in the fourth quarter when Jansen sneaked through for a touchdown. Only a few minutes later Eldon Smith scored for Alton. Now the Oilers put over their lone touchdown, but enough time remained in the game for Alton to carry the ball to the Oilers ten and here again the Smith to Aulabaugh pass combination clicked. The score: Alton 24, Wood River 7.

Thanksgiving Day renewed the contest between Western Military and the Redbirds. Alton had enjoyed a better season than Western but it looked like a good game was in store for the fans. When the first half ended 0-0 it appeared that this might be the final score. The Redbird players felt otherwise and late in the third quarter McCarroll spun around on the 70 yard line until he had Western groggy. Then

Bob started south and ended his run in Western's end zone with Alton's first six points. All this set-up was made possible after Harrison intercepted a Western pass. Following the touchdown, Western drove to Alton's 1 foot line. Trying a line buck on fourth down, Western found Beall and Harrison had stopped them 2 feet farther away on the 1 yard line. In a brief period of time the crowd was surprised to see McCarroll score again. Western fumbled on their 33 on the first play following our punt. In three line plays, McCarroll-Jansen-McCarroll and Bob scored touchdown number 3 for his credit and Alton's glory. Western received the Alton punt and returned to their 28. Here they elected to pass but Hechler intercepted. Five plays and McCarroll scored his and Alton's fourth touchdown. Western was having a hard time getting beyond their 40 yard line. A punt of Western was blocked and Harrison scooped it up. He reached pay dirt ahead of Western for their fight was gone. Now the army had been licked 12 times straight by Alton High. Final score: Alton 33, Western 0.

# Basketball - 1942-1943

HAROLD SHAPIRO, *Coach*

The 1942-'43 basketball season found Harold Shapiro as head basketball coach. Shapiro had played college basketball at Illinois and after graduating there had coached for a year at Potomac, Illinois, where he had made a successful start in coaching.

The Redbirds journeyed to Jerseyville for the first game of the season. It was a 44-31 win for Alton and an early season optimism for basketball sprang up. This hope began to fade when Gillespie opened the Redbird home basketball season by pulling away to a safe lead in the fourth quarter and we lost 39-28. This was the first in a series of seven losses before the Redbirds crashed through for a win. Following the loss to Gillespie the Belleville quintet furnished the next opposition and after a close first half score the Maroons pulled away for a 41-28 win. East St. Louis closed the basketball play before Christmas by defeating the Redbirds 40-26 in a game that lost its closeness in the final quarter.

The Redbirds opened conference play after the holidays at Granite City and held a 9 point margin at the start of the final quarter. The score stood 28-28 at the end of 32 minutes of play and Granite outscored us 7 to 3 in the overtime play and won 35-31. Wood River was next on the schedule and although played at Alton the Redbirds lost 37-25. Collinsville proved to be too strong for Alton and defeated us 38-22. At Edwardsville our boys scored enough to win an average ball game but the Tigers clawed away to a 54-41 win over the Redbirds.

Madison was our victim at home in our next game and every Redbird combination scored and the final score gave Alton a 59-22 win. The long looked for trip to Decatur was next in line for the Redbirds. Decatur was rated among the first ten teams in the State and it appeared as if a Redbird slaughter was at hand. However, the Alton boys played one of the best games of the season and Decatur was glad to get off with a 32-29 win in a game which was either team's meat until the last 20 seconds of the game. However, it started the Redbirds on an eight game losing streak and Belleville put on the second stinger of this series of losses by a 44-21 count. Another non-conference game rolled along when Greenville kept to her winning ways and defeated us 48-28.

In our return game with East St. Louis they never gave us a chance and led by a comfortable margin all the way. Final count gave us 35 to East Side's 60. In our return game with Wood River the Redbirds gave the Oilers a

fast game and were on the Oilers heels for the first half—but Wood River couldn't be stopped in the second half and won 54-38. Granite City dropped into the Redbird den and were supposed to have an easy time of it. However, the Redbirds went to work and led until the final minute of regulation time when Granite tied the score. We missed a foul shot after the gong which let Granite into an overtime game where they won by scoring 6 points in the overtime to Alton's 0. The return game with Collinsville, who now led and eventually won the conference crown, was too much for Alton and we lost 52-22. Edwardsville Tigers came to Alton intent on winning a game on our floor—something they had not been able to do in more than ten years. They "done it" this time 53-34. The final game of the regular season was played at Madison and for 3 quarters Madison led. Late in the fourth quarter the Redbirds gained a one point advantage which they held and won 40-39.

Redbird chances in conference play were choked off when we drew the Oilers. The Redbirds led scoring for the first 12 minutes of play but then the Oilers took over command and won 58-25. This loss is somewhat reduced in sting by the fact that the Oilers went into the second round of play in the State finals.

The Art Club was organized October 31, 1931, by nineteen members. It was believed that strict admission requirements would make a better working organization. The purpose was to bring art into the school and a closer connection between the students and the field of art. The following rules were adopted:

1. All candidates must have had one year of Art in high school.
2. All candidates must have a grade of B.
3. All candidates must receive a majority vote in the Art Club.

El Circulo Espanol is one of the newest clubs in the school, and because of the immense popularity of Spanish among the students, one of the largest and most popular. It was organized in 1942, and is now sponsored by Mr. Santoro.

Even though it is a comparatively new organization, the Spanish Club has proved to be a very active one. It has carried on many activities in the past year, some of which were dances, a bowling party, and a gala premiere

of an all-Spanish moving picture. Among speakers to address the Club were Dr. Young of Monticello and Captain Gage of Western Military Academy.

The purpose of the club is to further the aim of the Good Neighbor Policy; to arouse interest in our South American neighbor activities; to aid, by extra-curricular activities, the teaching of Spanish in the classroom; and to bring about greater friendship among the students of Spanish.

The Quill and Scroll is a journalistic honor society, international in scope. The Lovejoy Chapter, a charter member of the organization, was established April 4, 1927.

Students eligible for membership must have done creditable work on either of the school publications, The Times or Tatler. The purpose of the Quill and Scroll is to instill in the students the ideal of scholarship; to advance the stand-

ards of the profession of journalism by developing better journalism; to develop better journalists by developing a high code of ethics; to promote exact and dispassionate thinking, clear and forceful writing. Further, it has been the purpose of this chapter to take on some school project each year.

This year induction exercises for new members were combined with the annual banquet and was held at the Maple Inn in Godfrey.

The Alton High Times is published bi-weekly by students of Alton High School, with the aid of their faculty adviser, Miss Galley. It was first published in 1923, and is supported by subscriptions and advertising.

The purpose of the paper is: "To promote scholarship; to preserve school tradition; to encourage sportsmanship; to support school activities; to provide practical experience in journalism; and to increase loyalty to our school."

Sponsored by the Alton High Dramatic Club the National Thespians is an honor society for high school dramatics. To become a member one must have performed creditably seventy lines or more in a play or have taken active part back-stage.

Our chapter was organized in 1932 with eight members.

- The aims of the society are to develop a spirit of active and intelligent interest in dramatics; to assist directors and students in the presentation of plays; to stand as a reward

for excellence in high school dramatics; to acquaint directors and students with progress of dramatics in other high schools; and to bring about a close relationship between the troupe.

The club members directed two one-act plays for assembly and gave one play before the East Junior High Assembly. They had two induction ceremonies taking in 18 members. One one-act assembly play was given to make money for their contribution to the Stage Door Canteen and more than \$54.00 was collected.

The Dramatic Club, one of the oldest clubs in Alton High, is for those students who are interested in taking part in plays and similar activities about school. Each year this club presents two three-act plays and two one-act assembly plays.

This year the Dramatic Club celebrated its

twentieth anniversary. Miss Rutledge, sponsor of the organization, and the members gave a banquet celebrating the event and invited those who have taken an interest in the activities of the organization during the past.

The three-act plays given were: "Young April" and "Smilin' Through."

## Camera Club

The Camera Club is a club organized to help students that are interested in photography and to provide an interesting sidelight on school life. The programs are presented in an interesting manner, all the while, however, teaching the fundamentals of photography. Many students who have attended these programs, find the knowledge they have gained helpful

in their hobby and even in their life's work.

Besides the interesting meetings, the club provides a dark-room and equipment for developing, printing, and enlarging one's own pictures.

The only requirement for membership is an active interest in photography.

Miss Tucker and Mr. Kober act as sponsors.

---

## Movie Operators

In order that any teacher and any class might have the privilege of viewing a movie at any period in the day, a group of boys were selected who were willing to give up one of their study periods to assist in operating the projector in the balcony. For each period of the day two

boys were available, and during the school year the boys who are pictured here have made our extensive movie program possible. The school and the Tatler are glad to cooperate in giving these operators the recognition due them.

The Phyllis Wheatly Girl Reserve Club is named after a colored woman who was a poet. The club was founded in Alton about six years ago at the Y.W.C.A. The club was organized for girls of the senior high school. The club advisors have been Miss Eddie Mae Mitchell, Miss Marie Cruzat, Mrs. Greta Poindexter, and Miss Jewell Sutherland. Our present advisor is Mrs. C. P. Harton, the wife of Dr. C. P. Harton. The club was started for the fall term at the Y.W.C.A. with the election of officers.

The club has done much during the year,

such as meeting with the Carver Hi-Y, helping with the Alton Youth Conference in January, having Guest Speakers and also helping plan the Tri-City Girl Reserve Conference, which met in Alton in February. We cooperated with the Carver Hi-Y in giving Saturday night dances at the Booker T. Washington Center. Spring activities included a fashion revue and a Senior Prom for the Crowning of Miss Phyllis Wheatly of 1943. The proceeds raised from Queen Contest are being used to send girls to camp this summer.

The Scribblers Club, under the sponsorship of Miss Sutherland, was organized in October, 1942. Its purpose is to promote fellowship, to develop ability in creative writing, and to stimulate interest in literature of all kinds. At the meetings contributions are read, discussed, and suggestions for improvement are made.

Any junior or senior interested in joining is invited to apply to the Scribblers' president or

sponsor. A majority vote of the Club will then provide acceptance for the candidate. Sophomores may be admitted only by a two-thirds vote.

A minimum of two personal contributions each semester is expected of every member. These contributions may include essays, poetry, short stories, or book reviews.

Now and then time is taken off for some social affair which is usually a party.

We Co-Ettes don't have to write a long article telling about ourselves. It's common knowledge that we are a girls' club affiliated with the Y.W.C.A. and eager to be helpful to our school and community. Although only a year old, the Co-Ettes are remarkably active. We wear red and gray skullcaps when we attend school games in a body. Our caps went with us when we

helped at the Red Cross blood bank last fall. They were with us when we selected the committee who worked out our idea of Saturday night recreation. We aided in planning the Alton Youth Conference and the Girl Reserve Tri-City Conference. We took off our caps, though, when we offered our much needed services at Alton Memorial Hospital.

The purpose and motto of the club is "Service for the School," and its members strive to carry this out by acting as big sisters to new students, serving as office hostesses, and performing many

other important duties around school. The membership is limited to sixteen girls, chosen for their qualities of leadership, service, character, and scholarship upon recommendation of the faculty and approval and election by the Council members.

The Alton Chapter of the National Honor Society was organized in 1927. Since this time it has become one of the most prominent of the school. A great deal of this success is due to Miss Cates, a sponsor since the founding of the society, who worked unceasingly for the club until the time of her death.

When Miss Cates was forced to leave school in November, her substitute, Mrs. Mitchell, temporarily assumed the sponsorship of the society. In February, two new sponsors, Miss Gates and Miss Voss, were chosen by the organization.

The four cardinal virtues on which the organization is founded and membership is based are scholarship, leadership, character, and service. To fulfill the scholarship requirement, a prospective member must rank in the upper one-third of the 4-1 class. There is a list made of these students who are then rated by the faculty on the other three virtues. Under leadership is considered the initiative, the

executive ability, and the influence of the candidate; under character are the dependability, industry, honesty, and personality; under service, the service to other organizations, to the school, and to the teachers is considered. The students receiving the highest number of points are then installed as members at a public ceremony. However, not more than fifteen per cent of the class may be inducted.

The main project of the National Honor Society this year was the sponsoring of the Penny Campaign. Over fifty dollars was collected and was used in purchasing books for service men. These books were then sent to Adak Island, Alaska, where one of our alumni, Enos Campbell, is stationed. During the first semester, a list of the former Alton High students now in the armed forces was compiled, in preparation for making up an Honor Roll similar to the one compiled after World War I.

The "Minute Maids" is a patriotic society, organized in 1942, during the great emergency. The girls in this group are chosen for their outstanding traits in scholarship, service, and cooperation.

The purpose of this club is to aid the war effort. This aim is carried out by the encourage-

ment of the sale of War Bonds and Stamps, and by the cooperation with the Junior Red Cross. One of this year's features was the making of portfolios to be sent to young people in England.

The sponsor is Miss Sidwell.

## Choir

The Choir this year has been very active in class work and in outside activities. They have taken part in assembly programs, commencement exercises, appearances at churches and other schools in the city as well as their

regular school work.

The main purposes of the Choir work are: To develop skill in reading and singing; To discover and develop individual voices possessing outstanding ability.

## Library Assistants

The Tatler is glad of the opportunity to pay tribute to this group for their assistance to the school and to Miss Voss in conducting the library. Since our enrollment is large and we must use the library as a study hall, and in view of the many calls for books and magazines,

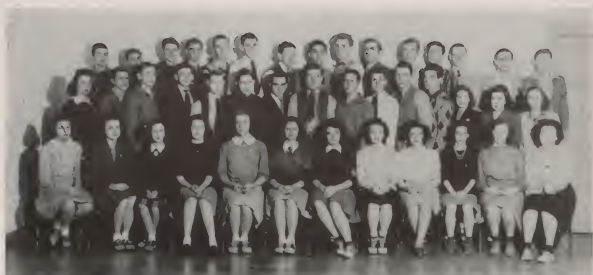

it has become impossible for Miss Voss to do the work of a librarian. This group of girls has made possible the use of our library as a combined study hall and library as well as permitting Miss Voss to keep up the library records.

## Rifle Club

The Piassa Junior Rifle Club Association assumes responsibility for furnishing a firing range, ammunition, and technical instruction for the members of Alton High's rifle team. This season, and for the "duration," all matches are by mail. Each team fires its round on the home range and targets are mailed to the officers of the St. Louis Metropolitan Rifle Club in St. Louis. Scores of all teams are totaled and re-

turned in bulletins issued weekly. There are usually ten teams in the league but only eight this season. Alton High finished in fifth place. The best Alton score was 713 out of a possible 800. The best league score was turned in by C.B.C. with 738. Captain of the Alton team for the year was Eugene Koehne and Mr. Myers served as faculty coach.

The Student Council is unique in being a school-wide organization. It is composed of representatives from all ranks from freshmen to senior.

The Council serves as a vehicle of public opinion within the high school. As a result of suggestions from the group, several dances

have been held. The Council sponsored a highly successful project in the Donkey Basketball game April 5.

It has become customary to send Council officers to the annual state convention. This was done this year, five people making the trip.

## A Resume of 1942-'43

When we students arrived at school on September 2, 1942, we found many new faces among the faculty as well as the student body. We found Messrs., Santoro and Grammaticoff ready to teach us our Spanish day by day. The Social Science field gave us Mr. Wollerman and Miss Ahe. Miss Brennecke and Mr. Campbell were on hand to teach us the new X2-Y-4 or Math. Miss Tibbetts and Miss Guller were on hand to bolster the commercial department. Miss Tucker was the new biology teacher and the tenth new faculty member was Mr. Shapiro. Shapiro had classes in gym and assisted in coaching football and coached basketball.

We soon noted many absences among the faculty and inquiry disclosed the following bits of information. Mr. Wood was principal at Edwardsville and Miss Wempen was taking care of a sister in California who was very ill. Messrs. Ihne and Walraven were over on the hill at East Junior High with Mr. Ihne as principal. Mr. Vasey was in the army in Colorado and Mr. Thompson was working at Western Cartridge Co. Mr. Geddes was with the future army at Western Military Academy. Mr. Rich was now teaching shorthand and typing in a Naval Training School in Indian-

apolis, Indiana. Miss Lodge was teaching her Spanish at Northwestern University.

As the school year progressed death claimed Miss Jennie Cates. The army called Mr. Bruno in April while Miss Sheppard left us in March and became the bride of a former teacher when she married Lt. W. L. Bailey, April 4. Mr. Deason secured a position in Southwest High in Detroit and Mr. Shapiro became athletic director of the Y.M.H.A. in St. Louis. At the end of the first semester Mr. Grammaticoff returned to Normandy, St. Louis County, Missouri, to teach Spanish in his home high school—only two blocks from home.

Mr. Ingles came to us from Mulberry Grove in Bond County to the place left vacant by the death of Miss Cates. He moved on to the gym and coaching work vacated by Mr. Shapiro. Mr. Vasey returned and took over the history classes vacated by Mr. Ingles. Mrs. Klaas took over Mr. Deason's classes in general science; Mrs. Brazel completed Mr. Bruno's work; Mrs. Guy Wimmer finished the year for Miss Sheppard; Mrs. Rodgers took a part of the Spanish classes left by Mr. Grammaticoff (and Miss Blackard the others).

## June Class Will - - *continued*

- I, Nick Warner, will all my speech knowledge to anyone who will accept it. If Colonius will permit?
- I, Mary Watson, will to Bernice Martin all the trials and tribulations of being an over-worked, tormented senior girl suffering from the draft and everything that goes with it.
- I, Vera Watson, will all my falls up and down the steps and in the halls of Alton High to some unlucky freshman.
- I, Marilyn Weber, will my ability to wait to Peggy Green.
- I, Dale Werts, do will my good times at Rock Poole's to Bill Flippo.
- I, Jeane Whitaker, will my ability to get my man to Eleanor Schlobohm and hope she can do more with it than I was able to.
- I, Isabelle White, will to Annie Freeman's boyfriend the ability to answer all her foolish questions.
- I, John White, will my ability to get out of class first and into the cafeteria line last to Bing Scott.
- I, Marcella Wickenhauser, will Mr. Freeman and "Pop" Myers to no one, not even their wives.
- I, Eugene Wieland, will my place on the second basketball team to Joe Smith.
- I, Shirley Wightman, will my ability for writing to soldiers, sailors, and marines to any girl who wants to keep up the morale.
- I, Marion Willis, will all the shoe leather I have wasted walking the halls before school to Henry Tackwell and Don Jansen, Inc. I also will my place in Red & Gray Hi-Y to any student who wants the best of everything.
- I, Delphene Wilson, will my excess weight to "mother Walldrip."
- I, Kass Wilson, leave to my DEAR brother Stu, the Wilson's name; providing he doesn't disgrace it anymore than necessary to have fun.
- I, Joyce Wilton, will my stupendous height of 5 feet to Ed Young—for obvious reasons.
- I, William Winkler, will my long hair and ability to get into trouble at school to anybody.
- I, Norma Gene Winterowd, will my place in sewing class to anyone who will accept it.
- I, Lowell "Daddy" Wonnacott, do will my power over the Alton Hi School "Profs" to my little six-foot brother as I don't think it will do me much good where I'm going.
- I, Clarence O. Wooff, will all my best sleeping chairs in Alton Hi to Ray Robinson.
- I, Nacoma Wooldridge, will my sleepy days in study hall to Dotty Gilmore, or to anyone who needs the sleep.
